

By signing up to Gift Aid you agree that:

1. You own all items that you are bringing for sale and they were obtained in a legal manner
2. You understand that you retain legal and beneficial ownership of the goods until they're sold
3. You understand that PramaCare will attempt to sell the items on your behalf and that a commission charge of 2% will apply. The rate of commission is reviewed periodically and PramaCare will notify you if the commission charge rises above 3%
4. You allow PramaCare to sell the items in whatever manner we decide to maximise the value of the sale
5. You allow PramaCare to take ownership, recycle or dispose of any items which, in our opinion, have no saleable value, have not sold within a reasonable period or if PramaCare are unable to process the sale of your goods through the Gift Aid scheme. You also acknowledge that your items cannot be returned.
6. You are not acting as a business
7. You understand that PramaCare will not write to you to confirm the net sales value of your goods (after deduction of the commission and VAT) in any tax year if it is equal to or less than £100.
8. You understand that if the total net sale value of your goods in any tax year is equal to or less than £100, the proceeds of sale will automatically be deemed to be donated to PramaCare.
9. You understand that once a sale is made that brings the total amount of your net sales (after deduction of commission and VAT) over and above £100, PramaCare will write to you to confirm your consent. If PramaCare does not receive a written response from you within 21 calendar days of sending you the net sales notification (this begins from the date of PramaCare letter/email communication), we will assume that you consent to donate the net sales that exceed the initial £100 threshold to PramaCare.
10. You understand that PramaCare will notify you annually of the total value of sales achieved in a tax year at the start of the next tax year. This statement does not permit the request for a refund of all or part of the net sales.

This Agency Agreement is a legally binding contract between the donor of the goods and the charity, as agent, in the sale of the goods.
